Our mission.

The purpose of Hope's Haven is to introduce abused and neglected children to the life-changing and healing reality of Jesus Christ and to help equip them to have meaningful, productive lives.

All campers are current or former wards of the court, and most are living in group or foster homes. Hope's Haven provides these precious children an opportunity to meet the Lord through a back-to-nature, fun-filled outdoor camping experience designed especially for them.

The campers hear about Jesus' love through worship, Bible study, verse memorization, one-on-one time with their counselors and lots of FUN! Activities include hiking, crafts, swimming, games and much more.

The camp week is held at Camp Hebron in Halifax, Pa. The camper to counselor ratio is 2 to 1, with only 24 children per week, creating a safe environment and the ability to provide much needed attention. Each child is invited back each year until they graduate from high school.

Hope's Haven is a Christian, nonprofit organization and is not affiliated with any church or denomination. Our doctrinal statement is available upon request and on our website at hopeshavencamp.org.
